

PRESCOTT BANNER TRUCK

Accelerate your advertising with a banner truck ad. According to the Outdoor Advertising Association of America, more than 95 percent of the public is reached by media targeting vehicle drivers and passengers. Our 16-foot by 10-foot lighted banner truck will get your company noticed -- and for a fraction of the cost of billboards! Rather than waiting for people to pass by your billboard, you can bring your message directly to them.
