

Dear Valued Community Partner,

On behalf of the Glendale Chamber of Commerce, I am pleased to announce a new partnership with ROX Media Group (RMG) on the creation of our new magazine 'Glendale LIVING'. This new official chamber authorized publication is envisioned to be a premier resource for Chamber information and as a medium to showcase the many triumphs of members and our community. With the launch of 'Glendale LIVING' magazine, we encourage you to take part by supporting this publication which will become an innovative resource to not only our members, but also residents, visitors and the west valley. As a valued member, your business will receive a complimentary listing based on your primary category in the directory section. We anticipate strong support and encourage you to review the advertising opportunities which will showcase your business, products and services in our official and only Chamber endorsed magazine.

We appreciate your support of the Glendale Chamber of Commerce!

Robert Heidt
President & CEO
